315 Participants in our 2021 Certification Program!
10,180 Participants in our 2021 Outreach/School Program!

A Letter From Our Staff

Dear Friends of First Tee,

We hope this finds you happy and healthy. 2021 has been a glimpse at normal to say the least, but luckily, one of our core values is perseverance. This year we added one new program location at Bowling Green Country Club. As well as our new Program Director, Drew Fournier. Drew and his wife Sarah joined the First Tee- Shenandoah Valley team in June from Denver Colorado. We look forward to seeing Drew take our programming to the next level in 2022.

During the 2020-2021 school year, we added two new schools to our school program which were Eastern Mennonite School and Redeemer Classical School. With this addition to the program, we reached 9,732 local youth in our community and with chapter led programs we reached 448 making a total of 10,180 local youth reached during the 2020-2021 year. Crossing the 10,000 mark feels fantastic and we hope to continue to expanding these programs in 2022!

We are excited to get classes started back up in January and continue to grow the population of youth golf in the valley in 2022. We would like to thank all of our donors, participants, parents, and volunteers for their continued support during 2021 as none of what we do would be possible without you all! We hope everyone stays healthy and safe and we look forward to seeing you all in 2022!

Thank you,

Tom Tattersall Drew Fournier

Nate Hildebrand

Our Mission Statement

"To impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf."

Certification

ADVANCING THROUGH THE PROGRAM

From ages 7 through 18, youth progress through levels by demonstrating **The First Tee Nine Core Values**, life and golf skills as well as passing an assessment. All participants, regardless of age, start at the PLAYer level. The pinnacle of The First Tee is completing Ace.

- **PLAYer** (required minimum age 7)
Tee it up for the first time and learn the game of golf and The First Tee's Code of Conduct.
- **Par** (recommended minimum age 9)
Focus on interpersonal and self-management skills on and off the course.
- **Birdie** (recommended minimum age 11)
Emphasis on setting goals and making them a reality.
- **Eagle** (recommended minimum age 13)
Learn resilience, conflict resolution, and future planning.
- **Ace** (required minimum age 14 or entering 9th grade)
Put it all together and hone in on setting goals, career education, and giving back to the community.

In 2021, we had 315 participants in our Certification Program

Outreach - School Program - Community Program

“Outreach” consists of our National School Programs, DRIVE, and any other interaction we have with youth that is not considered our Certification Program. This can range from field trips to our facilities, going to schools and working with their students, and community programs where we interact with kids and their parents.

In 2021, we had 10,180 participants in our Outreach Program.

School Program

The School Program brings our curriculum to the school's gym during physical education class. Through safe, fun activities, elementary students are learning the basic skills of the lifelong sport of golf. By teaching elementary students The First Tee Nine Core Values and Nine Healthy Habits, we're putting them on the course to a healthy and active lifestyle.

SCHOOL PROGRAM OBJECTIVES

- Create a safe introduction to golf for today's students and teachers.
- Ensure that golf education meets the same national standards developed by the Society for Health and Physical Educators (SHAPE).
- Help students build character and confidence through the positive personal and social values associated with the game.
- Engage students in daily lesson activities that lead to development of basic golf motor skills.
- Show students that golf can be a great lifelong recreation and health-enhancing activity.
- Make the positive values of golf a part of the classroom and students' everyday lives.

RECENT PARENT TESTIMONIALS!

"The First Tee of Harrisonburg continues to have a lasting impact on our daughters. Both Abby and Emily learned to play golf through the programs at age 6. Both have enjoyed the classes and live by the nine core values still today. However, Abby prefers to just play for fun and Emily enjoys playing for both fun and competitively. The First Tee of Harrisonburg prepares kids for both! Emily is not only playing DIII golf in college, but plans a career in communications, hopefully working for The First Tee or Girls Golf Program someday. We could never have afforded her passion for golf, if not for the program. We are very grateful."

Jennifer Villacrusis

"I highly recommend First Tee of Harrisonburg to any parent looking for quality, effective golf instruction for their child. First Tee makes it easy for children to learn the game of golf at any level— from beginner to more experienced players. I also appreciate that they emphasize 9 positive core values to encourage your child's confidence as he/she learns to chip, putt, and drive. My son has participated in First Tee classes for several years. He has really enjoyed working with the knowledgeable, encouraging coaches and meeting other kids who enjoy the worthy challenge of learning to play golf."

Susan Lentati

"I have only good things to say about First Tee Harrisonburg. My son has enjoyed and learned so much from First Tee since he was 4. This has been a positive, fun and safe learning experience. The learning isn't just about skills. The essence and attitude of golf is well shared. Coaches are always supportive to encourage kids. We've also got a variety of learning opportunities including competitions and different courses. If I were to move, I definitely want to move to somewhere First Tee is close by. This is a wonderful organization for kids to grow up with."

Telin Lin

"Our kiddos are pumped for the next session. We think the First Tee does an awesome job with our kids. We are impressed with how the coaches connect with our kids and how they teach life skills. Thank you for going the extra mile."

Jamin E

"We have seen a marked change in our son's interest in the game of golf. It's due to the enthusiasm and style of coaching he receives at First Tee. We are going to continue lessons this winter."

Jenni A

Operation Inspire with JMU

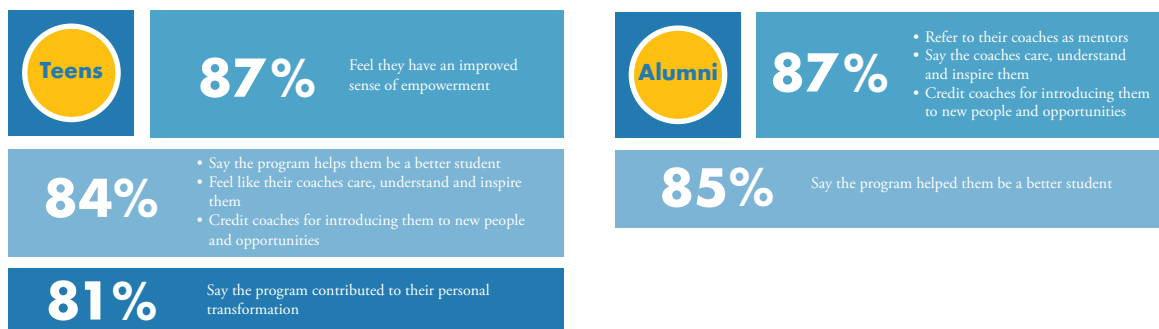

This year First Tee- Shenandoah Valley is proud to announce a new partnership with Dr. Tom Moran and JMU called Operation Inspire. This partnership allows us to positively impact the lives of our refugee community and people with disabilities. This program is a division of one of our long term partnerships with Overcoming Barriers.

We did some studying as an organization, and we found out that . . .

Creating a Lasting Impact

Have You Heard About First Tee's Juvenile Diversion Program?

Did you know The First Tee - Shenandoah Valley works with at-risk youth who face criminal charges? For nearly ten years, The First Tee of Harrisonburg has been running a very successful Juvenile Diversion program. This unique program is designed to keep children out of the court system who have committed their first offense. Participants in this program are referred to our facilities by juvenile probation officers from the 26th District Juvenile Court Service Unit. During this nine-week program participants receive mentorship and guidance on goal setting, interpersonal skills, conflict resolution and more. In addition, participants in the program are introduced to the game of golf and the 9 Core Values of The First Tee. The goal of this program is to help participants reflect on the choices they have made and supply them with skills they need to make better choices in the future. We are extremely proud of this unique program made possible through a strong partnership with the Juvenile Intake Officers within our 26th District Juvenile Court Service Unit.

Did You Know?

Did you know the First Tee- Shenandoah Valley has completed its third year of a special program for Veterans in 2021? “Fairways for Hero’s” is a program that is tailored to serve active duty and retired local military, as well as local Fire Fighters, Police Officers and Emergency Medical Service personnel. At the First Tee - Shenandoah Valley, we believe our veterans and first responders are the backbone of the United States of America and without them, there would be no Life, Liberty and Pursuit of Happiness.

Our program provides free golf instruction, equipment and access to our learning facilities/program locations, as well as plenty of great fellowship. We would like to also say thank you to the professional golfers from around the Shenandoah Valley that have pledged their time to help grow and develop this program. This year we are excited to announce that McDaniel Contractor Services has partnered with us to help grow this program throughout the entire Shenandoah Valley!

Thank you Holtzman Corporation and McDaniel Contractor Services!

2021 Player of the Year Toby Corrison

1. Name, Age, School, Year

Toby Corrison, 16, Harrisonburg HS, Junior

2. What are your plans after High School?

I want to play golf in college and I want to pursue a degree in Sports Broadcasting.

3. Who is your favorite golfer?

Jordan Spieth

4. What other activities are you involved besides golf?

High School Musical, Model UN, Spikeball Club and Pickleball Club

5. What is your favorite core value? Why?

Courtesy. It's my favorite because I use it the most, especially on the golf course. Golf takes a lot of focus and if you are talking while someone is swinging or not fixing the greens you're not going to be much fun to play with.

6. What kind of impact has the first tee had on you?

How will you pass this knowledge on to others?

The First Tee has had an amazing impact on me throughout my years. I first got involved when I was 8. TFTSV helped me learn the game like rules and when it is my turn to play. The classes helped me grow as a golfer but I also learned life skills that I would need as I got older. As a High School junior The First Tee is helping to continue my golf career in a larger way. It has opened my eyes to other areas of growth other than just playing. When I have time, I volunteer at The First Tee sorting clubs, helping with class, and I bring my friends with me in hopes of passing on what I already know.

THE POWER OF SUPPORT

First Tee - Shenandoah Valley is grateful to the many individuals, foundations, corporations, golf course staff, volunteers and coaches for providing chapter support during 2021. We also appreciate the many in-kind donations received throughout the year that help our chapter save \$thousands\$ each year. Thanks to this incredible support and promotion, we were able to introduce the Life Skills Experience and golf to over 10,000 young people in our community!

Thank You to Our Coaches, Volunteers, and Partners!

Without our dedicated volunteers and coaches, we would not be able to accomplish the growth and outreach we've experienced as an organization this year. With their help, we were able to expand and grow our territory, participation and donor base yet again despite COVID. We look forward to working with our volunteers and coaches throughout 2022.

WE'RE EXTREMELY GRATEFUL TO ALL OF OUR PROGRAM PARTNERS AND VOLUNTEERS!

9th Annual Michael L. Carrier Golf Tournament

First Tee participants join in on the fun at the MLC Tournament.

The 9th annual Michael L. Carrier Memorial Golf Tournament was held this summer and raised over \$26,000 for The First Tee Shenandoah Valley. All proceeds of the tournament benefit The First Tee- Shenandoah Valley network that is operating in Harrisonburg/ Rockingham County, Staunton/Waynesboro/Augusta County and Page, Warren, and Shenandoah County.

With the continued success of the Carrier tournament, a \$1,000 scholarship was awarded to Jaiden Brooks. Jaiden is attending Frostburg State University and studying education with a hope to teach physical education and coach middle to high school sports. This is the sixth \$1,000 scholarship provided to a deserving student in the last five years.

This one-of-a-kind tournament also provides good food, fun, and fellowship and lots of competition.

Prizes are awarded for the longest drive, closest to the pin, and hole-in-one prizes from Bob Wade Autoworld. Lunch is provided as well as raffled door prizes for the golfers. You are invited to sponsor and participate in this relaxing and exciting day of golf with family and friends.

The Carrier Family deeply appreciates your continued support and generosity, and we look forward to seeing you at the **10th Annual Michael L. Carrier Memorial Golf Tournament** in late April, 2022.

Tropical Smoothie Junior Golf Tour

First Tee- Shenandoah Valley is excited to announce its first successful season of the Tropical Smoothie Junior Golf Tour. We hope that with this tour, we can create more fun and friendly competition outlets for local high school players as well as middle schoolers from around the valley and across the Commonwealth.

At First Tee, we understand the importance of competition to a developing golfer and believe the more options given will reward junior golf in the Valley.

The tour consisted of events at seven separate locations, Our goal for the tour is to keep with the spirit of First Tee and create an affordable outlet where no child is turned away from competition due to monetary concerns.

Divisions were as follows: Middle School Division (6th, 7th and 8th Grade playing nine holes), High School Division (9th, 10th, 11th, and 12th Grade playing 18 holes) *8th graders wishing to play in the high school division are welcome to but will need to seek permission beforehand.

We would like to personally thank Travis and Cori Loan as well as all the staff at Tropical Smoothie Café for their support and help with making this possible. We would also like to thank Ryan Hite, Garrett King, Mike King, Rob Lauderman, Nate Hildebrand, Glenn Payne, Greg See and Eric Hooke for all their support and working with us at their golf courses.

Congratulations to our High School Division Winner

Grant Pennybacker & our

Middle School Division Winner

Brian Milstead

20th Annual First Tee-Shenandoah Valley Golf Classic

On July 31st and October 24th First Tee- Shenandoah Valley hosted its 20th Annual Golf Classic at Lakeview Golf Club. This year we were able to raise just under \$27,000 from generous sponsors and participants to support our youth development efforts in the Valley. We would like to recognize all who played and sponsored and to give a very special THANK YOU to Riddleberger Brothers, Inc. for again being this year's Ace sponsor.

First Tee-
Shenandoah Valley

Are you looking for a great space to host your child's birthday party? Gender reveal party? Church retreat or wedding activities?

The First Tee- Shenandoah Valley Harrisonburg Rotary Learning Center can accommodate your special event needs and would love to help! In the past 12 months we have hosted several birthday parties, baby showers, church retreats, and one wedding! It's truly a win-win, we provide a great space for your event in return for a contribution to our organization (rates may vary, please call for more details). Please expect to abide by all COVID guidelines placed in effect by the City of Harrisonburg and the Governor of the Commonwealth of Virginia.
