187 Participants in our 2022 Certification Program!
1,252 Participants in our 2022 Outreach/School Program!

A Letter From Our Staff

Dear Friends of First Tee,

We hope this finds you happy and healthy. 2022 has been a record year for First Tee-Shenandoah Valley. This year we added one new program location at Bowling Green Country Club. As well as our new Program Coordinator, Stewart Surratt. Stewart joined the First Tee- Shenandoah Valley team in September from Richmond, VA. We look forward to seeing our staff take our programming to the next level in 2023.

During the 2021-2022 school year, we added two new schools to our school program which were Eastern Mennonite School and Redeemer Classical School. With this addition to the program, we reached 1,252 local youth in our community and with chapter led programs we reached 187 making a total of local youth reached during the 2021-2022 year 1,439. Crossing the 1,400 mark feels fantastic and we hope to continue to expanding these programs in 2023!

We are excited to get classes started back up in January and continue to grow the population of youth development in the valley in 2023. We would like to thank all of our donors, participants, parents, and volunteers for their continued support during 2022 as none of what we do would be possible without you all! We hope everyone stays healthy and safe and we look forward to seeing you all in 2023!

Thank you,

Tom Tattersall Drew Fournier
Stewart Surratt

Our Mission Statement

"To impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf."

NEW! Age Based Programming!

From ages 7 through 18, youth progress through levels by demonstrating **The First Tee Nine Core Values**, life and golf skills. All participants, regardless of age, ability, or access are welcome in our programming!

- **Age 7-9-** First Tee Program for ages 7-9 teaches the game of golf in a fun, safe, and empowering environment. At this age group, we are introducing and engaging participants with both golf and life skills.
- **Age 10-11-** First Tee Program for ages 10-11 supports the exploration of both character and golf skills in active and collaborative ways.
- **Age 12-13-** First Tee Program for ages 12-13 focuses on the development of both golf and character skills. The lessons and activities in this program empower participants to explore both golf skills and character commitments appropriate for their stage of growth and development.
- **Age 14+** First Tee Program for ages 14+ places a greater emphasis on the personal development of participants.

In 2022, we had 187 participants in our Aged Based Programing

Outreach - School Program - Community Program

"Outreach" consists of our National School Programs, DRIVE, and any other interaction we have with youth that is not considered our Certification Program. This can range from field trips to our facilities, going to schools and working with their students, and community programs where we interact with kids and their parents.

**In 2022, we
had 1,252
participants in
our Outreach
Program.**

School Program

The School Program brings our curriculum to the school's gym during physical education class. Through safe, fun activities, elementary students are learning the basic skills of the lifelong sport of golf. By teaching elementary students The First Tee Nine Core Values and Nine Healthy Habits, we're putting them on the course to a healthy and active lifestyle.

SCHOOL PROGRAM OBJECTIVES

- Create a safe introduction to golf for today's students and teachers.
- Ensure that golf education meets the same national standards developed by the Society for Health and Physical Educators (SHAPE).
- Help students build character and confidence through the positive personal and social values associated with the game.
- Engage students in daily lesson activities that lead to development of basic golf motor skills.
- Show students that golf can be a great lifelong recreation and health-enhancing activity.
- Make the positive values of golf a part of the classroom and students' everyday lives.

RECENT PARENT TESTIMONIALS!

"Because of First Tee I have been given opportunities that have molded me into a successful leader and role model. I am inspired to make an impact on this world that is far greater than what the world expects of me."

Luke A. (Alumnus)

First Tee - Shenandoah Valley worked with the 3rd - 5th graders enrolled in the afterschool program through Harrisonburg Parks and Recreation. The program allowed youth access to a hands on opportunity to learn more about golf. Our youth enjoyed the program and we are excited to bring First Tee back to the Rec Center very soon!

Amber C.

Excellent staff and facility centered on helping children of all ages and abilities enjoy the game of golf. They are an asset to the community as they design many programs for the schools and local organizations. I am very fortunate as the Harrisonburg High School golf coach to have formed such an incredible partnership with an organization focused on helping the kids.

Chris S.

"Our kiddos are pumped for the next session. We think the First Tee does an awesome job with our kids. We are impressed with how the coaches connect with our kids and how they teach life skills. Thank you for going the extra mile."

Jamin E.

"We have seen a marked change in our son's interest in the game of golf. It's due to the enthusiasm and style of coaching he receives at First Tee. We are going to continue lessons this winter."

Jenni A.

Operation Inspire with JMU

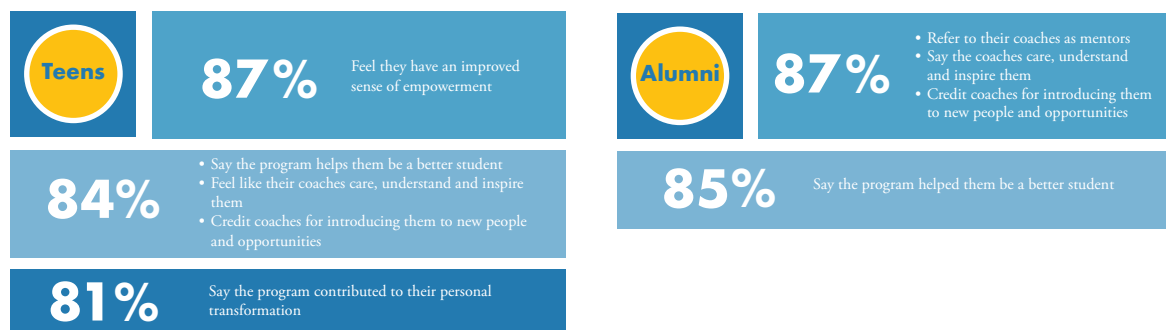

This year First Tee- Shenandoah Valley is partnered for its second year in a row with Dr. Tom Moran and JMU with Operation Inspire. This partnership allows us to positively impact the lives of our refugee community and people with disabilities. This program is a division of one of our long term partnerships with Overcoming Barriers.

We did some studying as an organization, and we found out that . . .

Creating a Lasting Impact

Have You Heard About First Tee's Juvenile Diversion Program?

Did you know The First Tee - Shenandoah Valley works with at-risk youth who face criminal charges? For nearly ten years, The First Tee- Shenandoah Valley has been running a very successful Juvenile Diversion program. This unique program is designed to keep children out of the court system who have committed their first offense. Participants in this program are referred to our facilities by juvenile probation officers from the 26th District Juvenile Court Service Unit. During this nine-week program participants receive mentorship and guidance on goal setting, interpersonal skills, conflict resolution and more. In addition, participants in the program are introduced to the game of golf and the 9 Core Values of The First Tee. The goal of this program is to help participants reflect on the choices they have made and supply them with skills they need to make better choices in the future. We are extremely proud of this unique program made possible through a strong partnership with the Juvenile Intake Officers within our 26th District Juvenile Court Service Unit.

Did You Know?

Did you know the First Tee- Shenandoah Valley has completed its third year of a special program for Veterans in 2022? “Fairways for Hero’s” is a program that is tailored to serve active duty and retired local military, as well as local Fire Fighters, Police Officers and Emergency Medical Service personnel. At the First Tee - Shenandoah Valley, we believe our veterans and first responders are the backbone of the United States of America and without them, there would be no Life, Liberty and Pursuit of Happiness.

Our program provides free golf instruction, equipment and access to our learning facilities/program locations, as well as plenty of great fellowship. We would like to also say thank you to the professional golfers from around the Shenandoah Valley that have pledged their time to help grow and develop this program. This year we are excited to announce that McDaniel Contractor Services has partnered with us to help grow this program throughout the entire Shenandoah Valley!

Fairways for Heroes

2022 Player of the Year: Amir Saeed

From everyone at First Tee

Congratulations Amir!

1. Name, Age, School, Year:

I am 14 years old and I am a freshman at Harrisonburg High School.

2. What are your plans after High School?

After High School I plan on going to college and playing on sports teams for that school.

3. Who is your favorite golfer?

Rory McIlroy!

4. What other activities are you involved besides golf?

Other activities that I am involved in besides golf are JROTC, STEM, and I am also on the Harrisonburg High School track team.

5. What is your favorite core value? Why?

My favorite core value is perseverance. Things aren't always going to go as planned, but even when things get tough you should learn from your failures and always be able to bounce back and try again.

6. What kind of impact has the first tee had on you?

How will you pass this knowledge on to others?

First Tee has helped me in many ways. When I was first trying out for the H.H.S. golf team I showed up to tryouts without any clubs or any experience. First Tee helped provide both to me. They gave me clubs, and I joined classes, where I learned the basics of golf that helped develop my skills. Even outside of golf I use the First Tee core values every day. Volunteering in classes and going to different events have been great ways for me to give back to the program and pass on what I've learned.

THE POWER OF SUPPORT

First Tee - Shenandoah Valley is grateful to the many individuals, foundations, corporations, golf course staff, volunteers and coaches for providing chapter support during 2022. We also appreciate the many in-kind donations received throughout the year that help our chapter save \$thousands\$ each year. Thanks to this incredible support and promotion, we were able to introduce the Life Skills Experience and golf to over 1300 young people in our community!

Thank You to Our Coaches, Volunteers, and Partners!

Without our dedicated volunteers and coaches, we would not be able to accomplish the growth and outreach we've experienced as an organization this year. With their help, we were able to expand and grow our territory, participation and donor base yet again! We look forward to working with our volunteers and coaches throughout 2023.

WE'RE EXTREMELY GRATEFUL TO ALL OF OUR PROGRAM PARTNERS AND VOLUNTEERS!

10th Annual Michael L. Carrier Golf Tournament

The 10th annual Michael L. Carrier Memorial Golf Tournament was held this spring and raised over \$29,000 for The First Tee- Shenandoah Valley network that is operating in Harrisonburg/Rockingham County, Staunton/Waynesboro/Augusta County, Page, Warren, and Shenandoah County.

With the continued success of the Carrier tournament, a \$2,400 scholarship was awarded to Daniel Jimenez. Daniel is attending Universal Technical Institute and studying education with the hope to teach physical education and coach middle to high school sports. This is the seventh \$1,000+ scholarship provided to a deserving student in the last five years.

This one-of-a-kind tournament also provides good food, fun, fellowship and lots of competition. Prizes are awarded for the longest drive, closest to the pin, and hole-in-one prizes from Bob Wade Autoworld. Lunch is provided as well as raffled door prizes for the golfers. You are invited to sponsor and participate in this relaxing and exciting day of golf with family and friends.

The Carrier Family deeply appreciates your continued support and generosity, and we look forward to seeing you at the **11th Annual Michael L. Carrier Memorial Golf Tournament** on April 29th 2023.

First Tee- Shenandoah Valley Junior Golf Tour

First Tee- Shenandoah Valley is excited to announce its first successful season of the Tropical Smoothie Junior Golf Tour. We hope that with this tour, we can create more fun and friendly competition outlets for local high school players as well as middle schoolers from around the valley and across the Commonwealth.

At First Tee, we understand the importance of competition to a developing golfer and believe the more options given will reward junior golf in the Valley.

The tour consisted of events at seven separate locations, Our goal for the tour is to keep with the spirit of First Tee and create an affordable outlet where no child is turned away from competition due to monetary concerns.

Divisions were as follows: Middle School Division (6th, 7th and 8th Grade playing nine holes), High School Division (9th, 10th, 11th, and 12th Grade playing 18 holes) *8th graders wishing to play in the high school division are welcome to but will need to seek permission beforehand.

We would like to personally thank Travis and Cori Loan as well as all the staff at Tropical Smoothie Café for their support and help with making this possible. We would also like to thank Ryan Hite, Garrett King, Mike King, Rob Lauderman, Nate Hildebrand, Glenn Payne, Greg See and Eric Hooke for all their support and working with us at their golf courses.

Congratulations to our High School Division Winner

Toby Corrison

Middle School Division Winner

Blake Morris

First Tee Heritage Oaks Golf Classic

On June 10th First Tee- Shenandoah Valley hosted its Heritage Oaks Golf Classic at Hritage Oaks Golf Course. This year we were able to raise over \$20,000 from generous sponsors and participants to support our youth development efforts in the Valley. We would like to recognize all who played and sponsored and to give a very special THANK YOU to Riddleberger Brothers, Inc. for again being this year's Ace sponsor.

Thank you again!

Mr. Frank and Mr. Steve McDonough, for supporting our chapter in 2021! Congratulations to Garrett King and Travis Gahm for winning this year's Championship. This two-day event was held October 2nd and 3rd at The Club at Ironwood in Staunton and once again benefited the First Tee - Shenandoah Valley. This year's tournament yet again was sold out!

Next date TBD!

The 2023 Augusta County Championship will be held again at The Club at Ironwood.

20th Annual Denton Family Foundation Golf Classic

First Tee would like to thank the Denton Family Foundation, who made October 5th possible! We would also like to thank Lakeview Golf Club as well as Ryan Hite and all his staff who worked hard to make the course and our outing an amazing success.

Congratulations to all players! We would like to thank everyone who took time out of their busy schedules to come participate on a Wednesday!

A YEAR IN REVIEW

Are you looking for a great space to host your child's birthday party? Gender reveal party? Church retreat or wedding activities?

The First Tee- Shenandoah Valley Harrisonburg Rotary Learning Center can accommodate your special event needs and would love to help! In the past 12 months we have hosted several birthday parties, baby showers, church retreats, and one wedding! It's truly a win-win, we provide a great space for your event in return for a contribution to our organization (rates may vary, please call for more details).
